

KeyAdvantage

Wait on Your Customers, Not Your Keys

Salespeople Stay with Customers, Keys Stay with Vehicles.

Improve Efficiency - Find Keys Quickly

- Salespeople can demonstrate more vehicles... and close more sales.
- Improve customer service.
- Re-position vehicles in a fraction of the time.

Increase Employee Accountability

- Records the activity of every employee and vehicle.
- Restrict access by day, time, department or employee.
- Eliminate expensive re-keying costs.

Improve Management

- Purpose codes reveal why vehicles are driven.
- Tracking information is available at the vehicle.
- KeyTag Tracking identifies employee responsible for key removal.
- Activity reports can be automatically emailed to designated personnel.

Increased Security

- KeyPad automatically deactivates at the end of each shift.
- System designed from insurance company recommendations.
- Steel constructed KeyBox.
- Eliminates unauthorized access.

Each salesperson is assigned an electronic KeyPad that expires at a preset time.

Customer-Focused Key Management System

Get control of your business with KeyAdvantage

- Key Holder Access Report: Shows activity of salespeople for a specific time period.
- Vehicle Access Report: Shows every access for all vehicles.
- Demo Activity Report: Summarizes sales accesses for vehicles.
- Purpose Code Summary Report: Summarizes activity by purpose.
- Many more reports are available.

To show a vehicle it's as easy as...

1. Input your PIN code into KeyPad.

2. Touch the KeyPad to the KeyBox.

3. Remove the ignition keys and demonstrate the vehicle.
