

The Hinged License Plate Frame makes Elante™ the one-size-fits-all solution for fleet managers. The Elante key storage tube can be installed right behind the license plate for concealed access without drilling visible holes. The Hinged License Plate Frame is ideal for passenger cars or trucks where space for permanent installment is limited. Elante can now provide convenience and quick access to every type of fleet vehicle for preventive maintenance servicing.

Features

- Hides Elante from view
- Spaces Elante from car body
- Conceals drilled hole for vehicle resale
- Frame can flip up or down

Benefits

- Fits variety of vehicles
- Easy access
- Easy to install

The Hinged License Plate Frame Provides for Discreet Elante Installation
