

Wait on your customers, not your keys

Two great systems, the choice is yours.

KeyAdvantage Electronic Key Control System

Know where every vehicle key is, who has it, and for what reason – without ever leaving your customer.

Indigo® Mechanical KeyBox

Focus on sales and your customers with this easy-to-use system that provides quick access to keys.

Two unique key systems designed to improve your sales by providing instant access to any car on the lot.

Supra® KeyAdvantage System

The KeyAdvantage system combines convenience with accountability. Key tracking information is available right at the car in addition to activity reports through the KeyAdvantage software.

Find Keys Quickly

- Salespeople can demonstrate more vehicles to close more sales

- Reposition vehicles in a fraction of the time

Increase Employee Accountability

- Record activities of every employee and vehicle
- Restrict access by day, time, department or employee
- Eliminate expensive re-keying costs

Improve Management

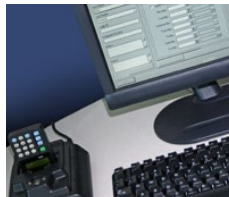

- Tracking information is available at the vehicle
- Activity reports can be automatically emailed to designated personnel

Enhance Security

- KeyPad automatically deactivates at the end of each shift
- Steel constructed KeyBox

Make Intelligent Decisions with KeyAdvantage Reports

- Key Holder Access Report: Gives an audit trail of all employees that access a vehicle by date and time
- Vehicle Access Report: Shows activity of each salesperson, including which vehicles they access, when, and why
- Many more reports are available

Indigo® Mechanical KeyBox

The Indigo KeyBox helps you put customers behind the wheel quickly, providing access to keys right at the vehicle. The Indigo KeyBox uses a Title key system which allows access only by those with a properly coded key.

The Indigo KeyBox is designed specifically for automotive dealerships that remove keys nightly. It is built with an aerospace aluminum alloy shell, is ultra lightweight and has the largest storage capacity of any of our mechanical KeyBoxes.

New and used car departments

- Keep salespeople with prospects
- Easily move prospects from car to car
- Ignition keys are available at a moment's notice
- KeyBoxes save time and money
- Give more professional sales presentations because you stay with customers instead of chasing down keys

Service department

- Keys stay with car throughout service process
- Technicians no longer hunt for keys
- Keys remain with car for customer pickup
