4. Check the box to accept the End User License Agreement (EULA).
5. Select **Authorize**.
6. Select **Done**.

3. Enter the authorization code.

The screenshot shows the TRACcess eKEY app interface. At the top, the title is 'TRACcess eKEY'. Below it, the text 'Authorization Code' is displayed with a hand icon. There are three input fields for the code. The first field contains '40714', the second contains '01177', and the third is empty. A red circle highlights these three input fields. Below the input fields, there is a grid of buttons for digits 1-9, 0, and a 'Clear' button. At the bottom of the screen, there is a grey bar with a small icon.
