

Supra KeyAdvantage:

Central Maine Motors raves about KeyAdvantage!

“We have three dealerships—Chrysler, Toyota and Central Maine Motors—just a stone’s throw from each other. Obviously, we need to be able to show customers multiple cars without running back and forth across the three lots looking for keys. Our sales people love the new KeyAdvantage system. It saves us a lot of time.

Luxy LeClair, General Manager –
Central Maine Motors Auto Group, Waterville, ME

The Facts

Fact 1: Profits.

KeyAdvantage delivers 3 to 5 additional sales per month because salespeople remain with the customer and stay in control of the sale.

Fact 2: Protection

KeyAdvantage meets insurance company requirements by programming the system to restrict access to authorized employees only.

Fact 3: Productivity

KeyAdvantage enables quick access to keys, raises employee accountability, and increases management control with enhanced reporting.
