Overview

SupraWEB is the agent website. With SupraWEB you can perform several functions from your computer or mobile device. The functions that are displayed in SupraWEB depend on the type of electronic key, key service, device choice, and features chosen by the association/MLS.

Things you can do		eKey-specific activities on SupraWEB
•	Obtain an update code for a key	To learn more about SupraWEB functions available specifically with
•	Identify keyholder names by key serial number	your key, see the key user manual on <u>www.supraekey.com</u> . Below are some examples of eKEY-specific SupraWEB functions.
•	Manage lockbox inventory and listing in-	 Set up your market area (eKEY Professional users)
	formation	Change your PIN code (<i>eKEY users</i>)
• View, email, and schedule activity reports		• Obtain an authorization code to install the eKEY software (eKEY
•	Set up showing notifications	users)
•	View and send showing feedback	 Manage alerts, if this feature activated (eKEY users)
•	Manage your bill	Lockbox Assistant (<i>eKEY users</i>)

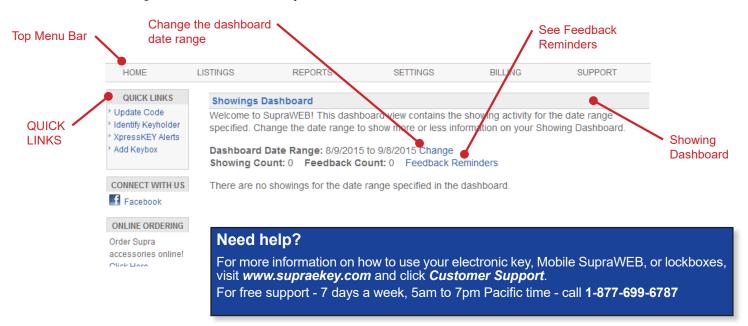

Log in to SupraWEB

To log into SupraWEB, a key must be assigned to you first. This first-time login requires a user ID and password, key serial number, PIN, and the selection of the appropriate board/association from the list.

Steps	
1. Go to <u>www.supraekey.com</u> .	Key Serial Number:
2. Click SupraWEB Login for Real Estate Agents.	PIN:
<i>Note</i> : Click Register on the home page to sign up for a Single Sign On (SSO) user ID and password.	Association/MLS: 45-Daiko Sangyo
3. Enter your user ID and password and select Login .	

SupraWEB Home Page

In SupraWEB, the *Showings Dashboard* displays the showing activity at your listings (lockboxes in your inventory) for the date range specified. The showing data is available for the last six (6) months. Boards can opt-in to features, which determine what is available to view in SupraWEB. The top menu bar links to feature pages. The *QUICK LINKS* are frequently accessed actions. In the *Showings Dashboard*, click on any of the links with arrows to sort the information.

Home Page Quick Links

QUICK LINKS section on the home page shows the most common tasks used on SupraWEB.

Common Key Quick Links				
Update Code	Display a current update code for the key			
Identify Keyholder	Identify the name of a keyholder by key serial number			
Add Lockbox	Add lockboxes to the Showings Dashboard and in reports			
Assign Listing	Assign a listing ID to a lockbox from the inventory to show where it is placed			
Authorization Code	Generate an authorization code used to install the eKEY software			
Change PIN	Change the eKEY PIN code			
Market Area	Set up or make changes to your market area (for eKEY Professional service customers)			

Menu Bar

The Menu Bar at the top of the screen allows for easy navigation through SupraWEB.

HOME LISTINGS REPORTS SETTINGS BILLING SUPPORT
--

Menu Bar	
HOME	Returns to the SupraWEB home screen and the Showings Dashboard
LISTINGS	View information about your listings and assign them to lockboxes
REPORTS	View, schedule, and email showing and key activity reports
SETTINGS	View your user information and key information and define email settings
BILLING	For agents that pay their fees to Supra, view account balance, make a payment, update account information, and add or cancel insurance on a key (qualified key types only)
SUPPORT	Supra Support team contact information

Update Code

To obtain an update code for the key, select the **Update Code** link in the *QUICK LINKS* section. If you cooperate in additional areas, the update codes for each of those areas are shown below your primary update code.

Important! If more than one Supra key is assigned to you by your organization, you can change the key information viewed by selecting **SETTINGS**, choose the key serial number at the bottom of the screen, and then click **Select**.

	Update Code

Delete Lockbox	Delete the lockbox assigned to the listing from your lockbox inventory.
Showing Activity	View the last six (6) months of showing activity for the listing.
Assign Listing	Assign a listing to a lockbox.
Individual Scheduled Report	Schedule an email report for the listing.

Activity Reports

There are two (2) main report links to choose from (depending on what options your board chooses) that can be viewed, printed, or emailed. Click the *Scheduled Email Settings* link to schedule a recurring report.

- **Create Showing Report** A *Showing Report* provides the start of showing and end of showing information plus feedback for all of the showings at your listings.
- Create Key Activity Report A Key Activity Report displays all the listings you have shown. This report provides the start of showing and end of showing information for the showings you have performed in the last six (6) months within your primary association and any cooperating areas.

Create a Report

Steps	
1.	From SupraWEB, select REPORTS.
2.	Click the type of report to create.
3.	 Customize the report: a. For a showing report - click which listings or lockboxes to include. b. Select the date range. c. For a showing report - click to include the showing agent's contact information. If emailing the report to a client, you may not want to include the showing agent's contact information. d. Click to include feedback sent to you from showing agents in the report, if desired.
5.	Click Create Report to view the report.
6.	To print or email the report, click the Print Report or Email Report icon at the top of the screen.
7.	To add your photo and contact information to the email, see the next section.

Set up Scheduled Email Showing Report

Set up SupraWEB to send yourself a weekly or monthly *Showing Report*. The scheduled reports automatically include the showing information for all of the lockboxes in your inventory.

9.	Click Save .	Upload Image: Browse (Maximum resolution: 300X300 and < 4MB) Save Cancel	Signature User Guide

Showing Notifications

Listing agents have several options for sending showing notifications. Use SupraWEB to add multiple people (i.e. the listing agent, office staff, and the home owner) to receive beginning and ending showing notifications. Notifications are sent to email addresses or cell phone numbers (as text).

Notification Recipient	Showing Notification Action
Listing agent	To receive notifications, make sure your email is correct in the <i>Email Address</i> field and check the <i>Send me showing notifications</i> box in <i>General Email Settings</i> .
Partner or team member	Add partners to receive all showing notifications by entering their email in the <i>Also send a copy to: (CC)</i> field.
Client	To have your client receive notifications, go to the specific lockbox in your inventory, check the box and enter your client's email.

The *Showing Notification* feature alerts the listing agent when a lockbox key container is opened to start a showing. This information can be displayed on all activity reports.

Showing information includes lockbox serial number, associated listing address/information, date of showing, the beginning and the end of the showing time (if enabled), and displays on all activity reports in SupraWEB.

End-of-Showing Notification

Boards or associations must contact Supra to "opt-in" to showing notifications first for this feature to be available. The eKEY application uses multiple methods (including GPS data captured when the lockbox is opened) to detect when the showing has ended. *End of Showing* (EoS) information includes the listing address (or lockbox serial number if the listing address is not available), and date and time the showing ended. End of Showing notification allows the listing agent and designated recipients to see when the showing ended for the property.

Add a Feedback Question

Add up to ten custom feedback questions that are displayed when a showing agents leaves you feedback on one of your listings.

Steps	
1. From SupraWEB click LISTINGS.	Add/Edit Feedback Question for Listing# 343434
2. From the Listing Inventory, click the listing ID link.	Adding a custom feedback question allows you to solicit detailed feedback about your listing. Keep
3. Click Add Feedback Question.	your question short and concise to ensure the showing agent provides the feedback you are looking for.
4. Enter a question and click Save .	Enter a feedback question:
When the showing agent goes into SupraWEB to leave feedback on the showing, any additional feedback questions you've entered for the listing are displayed.	What did you like about the listing?

Manage Billing Information

If you pay key fees to Supra, you can manage your billing information online. If you pay your key fees to the association or MLS, the *Billing Menu* option is not displayed. Automatic payment is required for eKEY keyholders.

Select the *Billing Menu* option at the top of the *SupraWEB* screen and your account balance and the *Billing Menu* options are shown.

Billing Menu				
Account Balance View a current account balance and make a payment.				
Billing History View invoices and payment history.				
Account Information	View or change the billing address and payment method and enable/disable automatic billing and electronic invoicing.			
Contracts	Displays key information and the start of your contract, billing frequency, and next billing date and allows you to add or cancel insurance if applicable.			
FAQ	View frequently asked questions about managing your billing information.			

Add/Cancel Insurance

If the key has not connected with the Supra network recently you must open a key container or release a shackle to verify the key is in your possession and functioning before you can purchase insurance.

1.	From SupraWEB select BILLING.	🖂 Email 📇 Print						
2.	Click Contracts.	Contracts	Customer: Robert Becker Customer Number: 1345465 Agent ID: 207187 Serial #: 7419722					
3.	Click the appropriate link to Add Insurance or Cancel Insurance.							
4.	Click Email or Print icon.	Key Type: ActiveKey Date: 3/18/2010						
		Key Contr Number Descr		Start Date	End Date	Billing Frequency	Next Billing Date	
		7419722	ActiveKEY	1/14/2010		Annually	7/13/2010	Add Insurance

Pay with SupraWEB

Steps				
1.	Click BILLING.			
Note:	Open invoices show in the Account Balance by default when billing is clicked.			
2.	Click an invoice from Account Balance.			
3.	Choose to use the card on file or add a new card and expiration date.			
4.	Click the box under Terms and Conditions.			
5.	Click Make Payment of \$xx.xx.			

Change the Billing Credit Card

To change the billing credit card information in SupraWEB, follow the steps below.

Steps					
1.	In SupraWEB, click BILLING .	Credit Card Information			
2.	Click Account Information.				
3.	Click New Credit Card #.	VISA MASKERCARE DISCOVER			
4.	Add the new card number.	Credit Card # on File: *********1015			
	From the drop-down, add the expiration date.	Expiration Date on File: 01/2021			
6.	Click the box under Terms and Conditions.	New Credit Card #			
7.	Click Save.	Expiration Date: JAN V* 2021 V*
